Dear Parent / Carer,

2021 Year 6 Transition Days and Transition Evening Update

We hope that this letter continues to find you and your families safe, well and that you all had a restful May half term break.

As mentioned in our most recent letter, we want to keep you updated on our transition plans for your son/daughter. We are currently in the middle of our visits to our Primary schools, where students are receiving our Transition to GSHS Assembly, and we remain hopeful that we will be able to provide an on-site Great Sankey High School Experience Day for your child and a Transition Information Evening for parents/carers to visit us at school, meet the Year 7 team and answer any questions you may have about your child joining us in September.

In response to the current COVID update, which is still under review as to the confirmation of the date of restrictions lifting, however, we are still unable to confirm the exact details of the above. As soon as we receive further guidance from the Department for Education, we will update you on our next steps.

May we take this opportunity to thank you for completing the online **Admissions Data Collection and Medical Information Booklet**, it is imperative that we gather information from families, to ensure we have accurate emergency contact details and medical information for your child.

If you have not yet completed this however, you can find this document on www.greatsankey.org, under the **'2021 Transition Support'** section of Student Support. Please can we ask that this is completed as fully and accurately as possible, including full titles of names, to allow us to hold accurate and important information about your child.

We will contact you as soon as we have confirmation of our **Transition Programme in July**, as well as sharing updated information in preparation for your child joining us here at GSHS.

In the meantime, if you do have any queries or concerns please do not hesitate to contact us via our Transition Team email at transition@greatsankey.org or via telephone on 01925 724118.

Yours sincerely,

Katrina Masher
