

Greafields Primary School

January Newsletter

The children were enchanted by the magic of the Jack and the Beanstalk pantomime!

They were captivated by the colourful characters, lively music, and Jack's daring adventure. It was a highly interactive experience, with the children eagerly joining in with the songs and engaging with the lively characters. The story sparked discussions about bravery, making good choices, and helping others - a fantastic opportunity for learning through storytelling, music, and active participation!

Oak Class had a fantastic day at the Discover Centre, where they immersed themselves in storytelling with actions! They explored a spaceship, a ship, clouds, and so many other exciting things. The highlight of the day? Definitely the slide—everyone's favourite part!

Oak Class has been learning all about our five senses: touch, sight, smell, hearing, and taste.

We also linked our learning to one of our key Literacy texts, 'Coming to England' by Floella Benjamin. Through this wonderful story, the children explored their senses by experiencing exotic fruits such as passion fruit, mango, pineapple, and coconut. They loved tasting and smelling the fruits, describing the textures, and sharing their thoughts about the vibrant colours and unique scents.

In literacy, we've been getting creative! Using teabags to stain the paper for our Grand Ball invitations - a fun, old-fashioned touch to make them extra special!

Thank you to all the parents who attended our Storytelling Day session! It was wonderful to see your support and collaboration. Together, we helped the pupils describe their favourite characters using adjectives, and it was fantastic to see them create story maps and sequence the events of their stories. Your involvement truly made the day special!

**Chestnut Nursery School at
Greatfields Primary School
now open!**

Spaces available for children
aged 0-4 years

Full time and part time places
We accept government funding

Our facilities

We have two spacious, modern classrooms along with a shared garden. Jay and Wren Room for children aged 0-2 years and our Robin room for Pre-school children.

The classrooms and garden are fully equipped with new resources and units to enable the children to discover all the areas of the Early Years Foundation stage.

Your child's Development

Your child's development is at the heart of everything we do. Their experiences and learning, while at Chestnut Nursery Schools, are key to both their physical and mental growth. We provide a fun, well-rounded curriculum, offering your child fundamental life skills, and encouraging a desire to learn more.
