

Greafields Primary School

May Newsletter

We would like to extend a huge congratulations to all the pupils who completed their homework projects over the Easter holidays. Your hard work and dedication truly shone through, and it is clear that you all have an excellent understanding of how plants grow. We were so impressed by the creativity and effort put into your projects, from the healthy dishes to the amazing 3D models. It was a pleasure to see your ideas come to life!

Oak Class had an exciting visit from Rocky's Animals! The children got to interact with a variety of animals, from cuddly rabbits to fascinating snakes. The hands-on experience was not only fun but also educational, giving the kids a chance to learn about the animals and their habitats in a way that really brought the lesson to life. A big thank you to Rocky's Animals for such a memorable and engaging experience! We can't wait for the next adventure!

In PE this month, we've been having a ball! 🏀🏈 The children practiced their throwing and catching skills with large balls, working on bouncing, rolling, and even kicking it to their partners. They had so much fun in pairs, taking turns to pass, roll, and kick! Great teamwork, everyone!

In Art this month, we have been busy painting the habitats of jungle and farm animals! 🐼🐵🌿 The children have had so much fun bringing these vibrant environments to life, from the dense, green jungles to the peaceful, open farm fields. Did you know that jungle animals like tigers and monkeys thrive in the trees, while farm animals like cows and chickens enjoy wide-open spaces?

We have been having fun in class making the number 10 using two different numbers! 🎲🌟 The children have been exploring all the possible combinations and discovering how many ways we can add up to 10. It's been a great opportunity to practice our addition skills while thinking creatively! Can you figure out how many different pairs of numbers make 10?

The Children @ Chestnut Nursery Greatfields have recently been reading Jack and the beanstalk! The story book has been brought to life through a variety of activities, such as decorating our own magic bean, finding the golden eggs in the sand tray, building our own castles, creating a bean stalk and a castle.

The children are enjoying this story and are starting to remember what happens in the book!

Spaces are still available!
Come along to our next
open afternoon

A promotional flyer for an Open Day at Chestnut Nursery Schools Greatfields. The flyer features the Chestnut logo, the Ofsted logo, and the text "NEW Open Day at Greatfields". It provides contact information for Greatfields Primary School, including the address, phone number, and email. It also includes a QR code and a "RECOMMENDED" badge.
