IIP Curriculum

Our new Topic for Autumn is 'Magical Me'. We will be learning all about ourselves, our bodies, our senses and our families.

English

In Phonics we follow the format and letter order of the RWI but teach the children through hands on sensory experiences.

In English we are reading the books by George Webster, All about me and Why not?. The children will be learning sentence structure using colourful semantics.

Maths

We follow the structure of the Maths for Life scheme of learning but again, teach through sensory experiences.

For more information on your child's learning please visit the 'Our Classes' pages on our school website.

Teachers' Corner

Hello and welcome to our first IIP newsletter. September is always a difficult time for our children with their new transitions to their classes but all the staff are here to support you and your child resettlement into the new school year. This year we have lots of new exciting things happening so make sure you come to our 'Meet the Teacher' and attend our Coffee Mornings.
