Year 1 Curriculum

English

In English, we have been enjoying books by Jill Murphy, our author focus this half term. We are developing our persuasive writing skills and improving our reading comprehension by exploring and discussing a range of texts.

Maths

In Maths, we are focusing on place value, developing our understanding of numbers and their value. We are learning to represent, compare and order numbers using a range of practical resources and activities.

Theme

Our theme this half term is Houses and Homes. We will be exploring different types of homes, learning about where people live around the world, and discovering how homes have changed over time. Through stories, discussions and creative activities, we will develop our understanding of what makes a house a home.

For more information on your child's learning please visit the 'Our Classes' pages on our school website.
