

# Tag Rugby

Tag Rugby is a new sport at Greenbank. All children in school get the chance to take part in an hour long Tag Rugby session with some of the Outdoor Team. The sessions take place in specific year groups on a Friday for 2 consecutive weeks. This will enable the children to progress their Rugby skills from one week to the next.

The games played are energetic and a lot of fun for the children, and the Outdoor Team!

So far the children in years 3 and 5 have taken part – and it has gone down a storm! All children have got stuck in and have thoroughly enjoyed the sessions – going back to class full of mud and smiles!

Here at Greenbank we need to be prepared for **ALL** weathers – the weather does not put us off!

The children **MUST** bring extra old clothes to change into as they **WILL** get wet and muddy!
