GREET PRIMARY SCHOOL

11 November 2026

Working together for Greet's future

Dear Parents and Carers,

I am writing to introduce myself as Jo Harrison, Chief Executive Officer of Create Partnership Trust, having joined in September 2026, and to share an important update about Greet's leadership.

My commitment is to ensure that every child receives an excellent education in a school where they feel safe, valued and inspired to succeed. I know how much Greet means to its families, staff and wider community. Strong relationships, clear communication and a shared ambition for your children will be central to my work with you.

When I joined the Trust, several Headteacher roles were being filled on an interim basis across the trust. One of my first priorities was to secure permanent leadership arrangements that provide necessary stability for our schools. Following rigorous recruitment, we have appointed **Mrs Louise De Graaff as Headteacher of Brookfields Primary and Miss Sarah Green as Headteacher of Hodge Hill Primary School.**

With these appointments confirmed, and the existing interim arrangements ending on 31st December 2026, **Ms Yasmin will return to her substantive position as Headteacher of Greet Primary from 1 January 2027. Miss Williams will remain at Greet, returning to her substantive role as Deputy Headteacher.** She is highly committed to Greet's future and will continue to play an important part in its leadership.

I want to offer my sincere thanks to Miss Williams for her professionalism, hard work and leadership over the past 18 months. Her dedication to Greet's children, staff and families is recognised and deeply appreciated and the impact of her work is commendable.

I recognise that many families have built strong and trusting relationships with Miss Williams and will naturally have questions about this change. I want to reassure you that she remains a valued member of Greet's leadership team. Her knowledge of your children, relationships with families and commitment to the school will continue to be an important part of its future.

During the next half term, Ms Yasmin and Miss Williams will work closely together to prepare for January. Their focus will be on understanding children's current needs, building on the improvements already underway and ensuring that the handover supports the daily experience of pupils and staff.

As CEO, I will take an active role in supporting this transition. The Trust will have a more visible presence at Greet, working closely with both leaders, reviewing progress regularly and providing support where it is needed. Our responsibility is to ensure that these leadership arrangements translate into excellent teaching, effective support and a safe, happy school for your children.

I look forward to spending more time at Greet, meeting families and listening to your hopes and questions. We will keep you informed as the transition progresses, and I want our relationship with you to be open, respectful and focused on what children need to thrive.

Our ambition is for Greet to offer the very best education locally, with high expectations and opportunities that help every child grow in confidence and achievement. We will build on the school's strengths and work together to secure lasting improvements.

My commitment to Greet is firm and long term. We will match our ambitions with practical support and clear accountability. Your children's education, wellbeing and future will remain at the heart of every decision.

Thank you for your continued support and care for Greet.

Yours sincerely,

Jo Harrison
