

Welcome to Year 6

Senior Leadership Team

Miss Williams
Head of School

Mrs Holder
Deputy Headteacher

Mr Haydon
Assistant Headteacher with responsibility
for EYFS and Year 1

Mrs O'Donnell
Assistant Headteacher & SENDCo with
responsibility for Year 2 and 3

Mrs Shanawaz,
Assistant Headteacher with
responsibility for Year 4, 5 and 6

Meet the Year 6 team!

Mr Howell, class teacher of
6DH and YGL

Miss Islam, class teacher of
6TI

Mrs Akmal, class teacher of
6RA

Mrs Rahman, class teacher of
6RA

Miss Tariq, class teacher of
6NT

Mrs Khan, Y6 Teacher

Mrs Mohammed, Y6 PSA

Mrs Shahnawaz, Assistant Headteacher,
Year 4,5 and 6 Phase Leader

Vision & Values

We want our pupils to understand that **there are no limits to what they can achieve.**

We do this through our core values:

Achieving excellence

Social intelligence

Ethical lives

Achieving Excellence

Pursue excellence in all areas of life.

This means, that by the time our pupils leave Greet at the end of Key Stage 2 they will:

- display an ethic of excellence; understand that they need to **work hard** to achieve their goals, that success doesn't come instantly, and mistakes are part of learning.
- be life-long lovers of learning.
- have gained the essential knowledge and skills in all curriculum areas so they can access the KS3 curriculum and are set up well for future academic success.
- have high aspirations for themselves, for their community and the wider world. They are ambitious and motivated to pursue excellence in all areas of their lives.

G.R.I.T

We achieve excellence by showing G.R.I.T.

G Growth Mindset

R Readiness

I Interest

T Togetherness

In order for pupils to be able to work hard and achieve academic excellence it is vital that they understand **how** to learn. We use the acronym **G.R.I.T.** to teach and remind pupils about the learning behaviours we expect to see in every lesson.

Social Intelligence

Have self-worth and act with confidence, empathy and integrity.

This means, that by the time our pupils leave Greet at the end of Key Stage 2 they will:

- **be kind** individuals, showing empathy to themselves and others.
- have developed a strong sense of their own identity; knowing who they are, where they come from and valuing their own worth.
- consistently display resilience and perseverance; overcoming challenges and modelling a growth mindset.
- be strong communicators, demonstrating ability to actively listen to others as well as be able to express themselves, their emotions, needs and wants.
- have the self-confidence to interact in a range of social situations.

Ethical Lives

Make decisions about daily life based on strong ethical and moral values.

This means, that by the time our pupils leave Greet at the end of Key Stage 2 they will:

- **make good choices** for themselves, their community and the wider world.
- know how their actions can impact positively on others in the short and long term.
- understand global environmental issues and demonstrate respect for the natural world.
- be implicitly motivated for the greater good and have a clear sense of moral purpose.

There are no limits to what you can achieve.

We work hard

We are kind

We make good choices

Greet Drumbeat

**“We are what we repeatedly do.
Excellence, then, is not an act, but a habit.”
(Philosopher Paul Durant, 1926)**

At Greet we develop children’s positive learning behaviours through the ‘Greet Drumbeat’ behaviour curriculum. This curriculum defines ‘the way we do things’ at our school.

Drumbeat curriculum

Greet Walking

We know that we *walk* around school using Greet Walking. Greet Walking means

- facing forwards
- walking at a steady pace,
- in a straight line
- with hands by ourselves
- without talking.

We do this to keep everyone safe in school and to make sure we do not disrupt other children's learning.

Drumbeat curriculum

Greet Stop Signal

We know that we use the Greet Stop Signal in class or around school to indicate that we need to listen to an adult.

The Greet Stop Signal is:

- '3 – 2 – 1, show me Greet Listening'.
- put all equipment down
- show Greet Listening.

Drumbeat curriculum

Greet Listening

We know that we use Greet Listening in class. This means that we:

- face forwards
- keep our hands together
- sit up straight
- never interrupt
- pay attention to the speaker.

We all do Greet Listening to ensure everybody is able to learn without distractions.

School day - Year 6 Timetable

Year 6					
	Mondays	Tuesdays	Wednesdays	Thursdays	Fridays
8:40 – 8:50	Morning Greetings and VIP Time (Independent readers / spelling practise / TT Rockstars / Mindfulness / 1:1 reading)				
8:50 – 9:00	Registration

15:05 – 15:15	Reflection & Regulation				
15:15	Home time				

Here We Are

Here We Are is our whole school transition unit of work in which children across the school learn about our local area and community.

This essential knowledge geography project teaches children about:

- physical and human features
- maps
- cardinal compass points
- positional and directional language
- the countries, capital cities and settlements of the United Kingdom

School Focus Author

- Unit is launched with Here We Are by Oliver Jeffers.
- Oliver Jeffers is our school focus author.
- Every year group has a selection of Oliver Jeffers books to read throughout the year.

Autumn Curriculum units

English: Oh, Freedom – I have a dream – Beware the Jabberwocky!

Humanities: Maafa (History)

This project teaches children about Africa past and present.

Art: Tints, tones & shades

DT: Food for life

Science: Circulatory System & Evolution and Inheritance

RE: Hinduism & What is a church?

You will receive a curriculum leaflet at the start of each unit.

Home learning projects will be linked to the curriculum.

Spring Curriculum units

English: Coraline – You MUST take action – Dulce et Decorum Est

Humanities: Frozen Kingdoms

Art: Inuit

DT: Engineers

Science: Electrical Components and Circuits

RE: What is the Qur'an? & Expressing Faith through the arts

You will receive a curriculum leaflet at the start of each unit.

Home learning projects will be linked to the curriculum.

Summer Curriculum units

English: One Boy's War – Operation Pied Piper – Now or Never

Humanities: Britain At War

Art: Bees, Beetles & Butterflies

DT: Make do and mend

Science:

RE: Sikh Worship and community & What happens when we die?

You will receive a curriculum leaflet at the start of each unit.

Home learning projects will be linked to the curriculum.

Maths Curriculum

This half term, we will be focussing on 'Place value and number'.

We will move on to using all four operations later in the term and next term.

Your child will have an opportunity to learn about shape, measure and statistics.

PE

Our PE day is **Monday**

PE kit:

- White polo shirt or white t-shirt
- Navy blue, royal blue or black shorts / joggers / leggings
- Navy blue, royal blue or black sweatshirts (either hoodies, sweatshirts or sweat-cardigans)
- Black plimsolls or trainers (any colour)

Children can wear their PE kit to school on PE days.

Music and MFL (Mandarin)

We have two specialist teachers in school for these subjects:

Mrs Rochford – Music

Mr Twilley – Mandarin

Children across the school will have lessons each week with our curriculum specialists in our Curriculum Hub in the old Mavis Legge nursery building.

School Trips & Experiences for Year 6

In addition to the curriculum trip, children will also have the opportunity to participate in two enrichment experiences:

Internal Enrichment Experience – This will take place within the school and offer children a chance to explore new interests and skills beyond the standard curriculum.

External Enrichment Experience – This will be an off-site activity designed to broaden children's horizons and provide memorable learning opportunities.

These enrichment experiences are **optional and not part of the core curriculum**, so we **kindly ask parents to contribute towards the cost** if their child wishes to take part. Full details, including dates and costs, will be shared in advance by Year Group Leaders to help you plan accordingly.

School Trips & Experiences for Year 6

Year Group	Curriculum entitlement trip (funded by school)	External enrichment experience (optional)	Internal enrichment experience (optional)
Year 6	National Memorial Arboretum – Linked to Britain at War Unit (summer) Celebratory end of year activity days.	Theatre trip (autumn)	End of year school sleepover (summer)

Residential for Year 6

We are pleased to be able to offer your child the opportunity to attend a residential visit in October 2025. We have booked 6th – 8th October 2025 at the University of Worcester Lakeside Campus.

Children will have the opportunity to take part in a range of outdoor adventurous activities over the course of three days, including kayaking, zip wire and bush craft. This visit forms an important part of helping children build their resilience, team building and independence before moving on to secondary school. Please note the children will be camping on this trip.

We have booked 20 places for 6th – 8th October 2025 and will cost £256.25, this includes coach costs. We are using some of the Creating Futures Trust money to reduce this down to £200 for non-pupil premium and down to £175 for children who are pupil premium.

If you are interested, please speak to Mrs Holder as soon as possible.

Uniform

- **Jumpers and cardigans are royal blue.** These can either be plain or with the Greet logo.
- **Trousers, skirts, dresses, leggings and shorts should be grey** only (children can wear blue gingham dresses in the summer term).
- Socks should be either white, black or grey. Tights should be either black or grey.
- **White polo-neck shirt or a white collared shirt.**
- Footwear should only be **black school shoes or plain black trainers.** No boots. (In winter, children can wear boots for the journey, but must change into school footwear)

Uniform

- **All religious headwear should be royal blue or white. Headscarves must be fitted** for health and safety reasons.
- **Jewellery is limited to studs** only for health and safety reasons and a simple wristwatch (no smart watches).
- Items of religious jewellery may be worn.

Reading and weekly homework

Read with parents at least once a week and sign reading diary – this will be checked by a member of the Year 6 team

Spellings will be sent out each week to be learnt and then tested in school.

Children are also expected to spend half an hour on Maths Flex each week. This adapts to the ability of the children and covers work that has been taught in school.

Ideas for home learning projects, linked to their humanities topic, will also be given in the curriculum newsletter.

Home Learning projects

Each term the children are challenged to complete one (or more!) home learning projects linked to their wider curriculum units of work.

e.g. Making a model volcano, researching an artist and making a fact file, creating a poster about a famous landmark.

These are specified on the termly curriculum leaflets.

Home learning projects are to be sent into school for celebration and display.

50 Books Reading Challenge

We have identified 50 books from Year 2 to 6 for children to challenge themselves to read across the academic year. They are displayed centrally around school.

50 Books Reading Challenge

Children will get rewards when they have read a specified number of books.

Earn Rewards!	
Finished 5 books	5 House Points
Finished 10 books	10 House Points
Finished 25 books	GRIT certificate
Finished 50 books	Enter into a mystery prize draw!

We have copies of the books in school, but you can also get copies out of the local library to support them in achieving the challenge.

Year 2 50 Books Reading Challenge!

GREET
PRIMARY SCHOOL

Inclusive Attendance

- At Greet Primary School, we work with an organisation called *Inclusive Attendance*, who help us shape our approach to school attendance.
- This approach means staff, families, and children work together to support attendance, encourage engagement in learning, and overcome potential barriers.
- **1) Tiered Approach**
 - We use a tiered system of support that caters to individual needs:
 - **Tier 1:** Everyday practices in school that support all children.
 - **Tier 2:** Additional support and early help for families who need it.
 - **Tier 3:** Access to specialised support when required.

Celebration Assemblies

GRIT Certificates are given out to a child in each class every week during Celebration Assembly.

Celebration Assemblies take place on a Thursday @ 9:am – parents & carers are invited to join the assembly if their child is getting a certificate.

You will receive an invite message through MCAS from your child's class teacher.

House Point Tokens

- Gold tokens
- 1 token = 1 house point

Awarded around school
(corridors, lunchtimes,
assembly) for children
demonstrating school values.

Token Collection

- Central house point token stations in each building for children to deposit their tokens
- Tokens counted each week & points shared in Celebration Assembly

Winning House Celebrations

- End of each term the House with the most points will receive an award
- Celebration event
- Trophy

If you have a concern...

Please come and speak to us.

We want to help and resolve any concerns quickly and this is achieved best through a conversation.

Class teachers in the first instance.

Year Group Leaders if you are unsatisfied with the response.

Process for raising concerns

1. Speak to your child's **class teacher in the first instance.**

- Please be aware that staff will not discuss concerns on the playground. This is response, confidentiality for children and families.
- You will be asked to come inside for a brief meeting to speak privately, or your child's class teacher might arrange to speak to you on the phone.

2. **Year Group Leaders** can be spoken to if you are unsatisfied with the response.

Further information

We will update our year group page: [Greet Primary School](#) regularly with further information about the year group.

Autumn 1 Parent Survey- How Are Things Going?

Any questions?
