Part A: Pupil premium strategy plan

Statement of intent

- We allocate Pupil Premium funding following a careful needs analysis which identifies priority groups or individuals.
- We recognise the importance of quality first teaching above all other interventions and initiatives.
- We ensure that the best possible provision is made for pupils who belong to vulnerable groups, following careful assessment of need.
- We recognise the importance of early intervention in working with socially disadvantaged pupils.
- We use the funding to accelerate pupils' progress and assist them in reaching age-related expectations and above.
- We recognise the importance of emotional and mental wellbeing and prioritise this as a first step to supporting disadvantaged children.
- Pupils who are assessed as falling behind are tracked more closely by senior leaders.
- We track, monitor and evaluate the impact of funding on pupils' outcomes and staff deployment.
- We report to the Trust promptly and accurately on the progress made by pupils in narrowing the gap against non-disadvantaged pupils nationally.
