	Similarities and Difference of People Around the							
D 10 110	World							
Personal, Social &		Valuing Me						
Emotional	See themselves as a valuable individual e.g. by adults getting to know each child and family.							
Development		Personal Care						
(inc. PSHE)	Manage their own needs e.g. hygiene, oral health, washing hands, healthy living practises.							
		Feelings						
	Identify and moderate own feelings socially and emotionally e.g. turn taking, tidy up routines.							
	Building Relationships & Staying Healthy							
	Build relationships and for	m positive attachments with adults and peers e.g. frie	ndship and adult respect.					
	Manage own personal hy	giene, e.g. oral health and understand the importance	of healthy food choices.					
	3 (1-1-1-1)	Empathy & Resilience	,					
	Think about perspective of others e.g. link stories to real life challenges and how to overcome them.							
	Trimik about perspective of others e.g. link stories to real life challenges and now to overcome them.							

ETHICAL LIVES

	OLIMIS TO O								
	Show resilience in the face of challenge e.g. problem solving, setting own goals and self- valuation.  Feelings & Empathy  Express feelings and consider other's feelings e.g. talking about feelings, circle time activities, modelling positive behaviour.								
EAD	Art & DT	Art & DT							
	Designing a Frame Colours and Paint Design a card Follow a Recipe		Creating A Seed Shaker Observational Drawings Paint: Primary Colours Design a Habitat Design an Animal Mask Create Prints Repetitive Patterns		Use a Range of Tools to Make a Robot Create a Spider/Spider Web Henri Matisse				
	Music								
	<b>Me!</b> Nursery rhymes and action songs	<b>My stories</b> Nursery rhymes and action songs	Everyone! Nursery rhymes and action songs	Our world Nursery rhymes and action songs	Big bear funk Big Bear Funk is a transition unit that prepares children for their musical learning in Year 1.	Reflect, rewind and replay Revisiting chosen nursery rhymes and/or songs, a context for the History of Music and the very beginnings of the Language of Music.			
Physical Development	Gross Motor								
	<ol> <li>Weekly PE lessons using Merton Physical Education programme.         This aims to develop children's physical literacy in the early years, support their social and emotional development and create healthy, active learners.     </li> <li>Daily access to the outdoor area         Mud kitchen and mark making materials to help develop their large motor skills, sand and water equipment, gardening tools, hoola hoops, space hoppers, large construction materials, bats, balls and trikes.     </li> </ol>								
	PE Lessons								
	Body Awareness and	d Movement in Space	Cooperation, Coordination and Control	Object Control	Stability				
	Fine motor	Fine motor							
	Children take part in planned weekly fine motor activities to strengthen their fine motor skills. They have access to a wide range of resources within continuous provision to develop their fine motor and independence skills.								

Manipulation of modelling compound to enhance muscle development through kneading, rolling, and sculpting practices.

Coordination of fine motor skills by threading beads or pasta forms onto strings, cultivating precision in hand-eye coordination.

Utilisation of forceps for the transference of small objects such as pom-poms into compartmentalised trays to foster precision grip.

Application of paints using cotton buds to promote delicate finger movements and control.

Execution of cutting exercises using safety scissors to cut out predetermined shapes from paper, enriching hand dexterity.

Engagement with finger puppets to animate each digit independently, thus improving fine motor agility.

Adhesion of decorative stickers onto outlined patterns or illustrations to refine accuracy and placement.

Construction with miniature interlocking bricks or blocks to encourage precise finger manipulation and strength.

Lace card activities designed to simulate threading and sewing actions for the development of fine motor coordination.

Mark-making on varied textures using chalks or crayons to aid in grip adaptability and wrist mobility.
