Meet the team!

Vision & values

We want our pupils to understand that there are no limits to what they can achieve. We have high expectations of and for our pupils and are committed to delivering an exceptional education that

sets them up for the future success. We do this through our core values of :

 Academic excellence.	 Social intelligence.	 Ethical lives.
I work hard at school to learn more and remember more.	I am kind to myself and others.	I make good choices, which show that I care about my community.

School Rules

Work hard

Be kind

Make good choices

Drum beat curriculum

At Greet we develop children's positive learning behaviours through the 'Greet Drum Beat' behaviour curriculum. This curriculum defines 'the way we do things' at our school.

We define clearly the behaviours and habits that we expect students to demonstrate. We want to support our pupils to grow into adults who are

polite, respectful, empathetic and appreciative and who can put others before themselves when necessary. We believe that as pupils practise these behaviours, over time they become habits that positively shape how they feel about themselves and how other people perceive them.

Drum beat curriculum

Greet Walking

We know that we *walk* around school using Greet Walking. Greet Walking means ○ facing forwards ○ walking at a steady pace, ○ in a straight line ○ with hands by ourselves ○ without talking.

We do this to keep everyone safe in school and to make sure we do not disrupt other children's learning.

Drum beat curriculum

Greet Stop Signal

We know that we use the Greet Stop Signal in class or around school to indicate that we need to listen to an adult.

The Greet Stop Signal is:

- '3 – 2 – 1, show me Greet Listening'.

- put all equipment down
- show Greet Listening.

Drum beat curriculum

Greet Listening

We know that we use Greet Listening in class. This means that we:

- face forwards
- keep our hands together

○ sit up straight ○ never interrupt ○ pay attention to the speaker.

We all do Greet Listening to ensure everybody is able to learn without distractions.

Curriculum - whole school unit

The whole school started the year with the same unit of work; 'Here We Are'.

This unit celebrates every child as an individual whilst allowing them to explore and recognise their place within the communities to which they belong.

This unit has been designed to cover aspects of geography and writing in equal parts.

Focus Author – Oliver Jeffers

inspired by the book 'Here We Are' by Oliver Jeffers.

Oliver Jeffers is our school focus author for this year- all year groups will be reading a selection of his books across the year.

Home learning book

50 Books reading challenge

We have identified 50 books from years 1 to 6 for children to challenge themselves to read across the academic year.

Children will get rewards when they have read a specified number.

We have copies of the books in school but you can also get copies out of the local library to support them in achieving the challenge.

Importance of attendance

Research conducted by the Department of Education found;

“That missing school for even a day can mean a child is less likely to achieve good grades, which can have a damaging effect on their life chances.”

Marvellous Me

If you haven't signed up already, please do so, it is where you will receive messages about the class and wider school.

If you are having problems, please ring or go to the office for support.

Further information

We will update our year group page on www.greet.bham.sch.uk regularly with further information about the year group.
