1. Welcome and introductions

Everyone introduced themselves.

Everyone gave ideas on how to improve:

Ask everyone (staff, children and parents about their thoughts on school dinners)

- What do we like on the menu?
- What don't people like on the menu?
- Portion sizes

Children gave lots of ideas on how to get information

How can we find out the answers to these questions?

- Survey or vote?
- Children discussed different ways to obtain the information

Year 6 will write the survey questions with Ms Yasmin and present these to the rest of the council members at the next meeting.
