

## School Council Meeting

**Date:** Tuesday 21<sup>st</sup> November 2023

Present: Ms Yasmin, Mrs Holder, Chair - Maryam, Representatives from all classes except 1FB, 1JJ, 1BH (due to illness)

### 1. Rights of the Child

Ms Yasmin talked to the School Council about the UN, when it started and why. She then spoke to the children about the 41 rights of the child. Lots of the children were able to name rights.

Ms Yasmin presented each of the children with a booklet about the Rights of a Child.

The School Council members are going to work with their class to decide which two rights they think are most important and feed this back at our next meeting.

A display in the main hall will then be created using the information gathered by councillors.

### 2. School dinners

Ms Yasmin and Maryam (Chair) gave the children an update on school dinners and the feedback from parent meetings.

Ms Yasmin will now meet with the catering team and pass on the feedback from children and parents. A tasting day will be organised for the School Council members and parents to try the new food.

The new menu will be launched in January.
