

The  
Ogden  
Trust

School  
Partnership

Thursday 9<sup>th</sup> November 2023

Dear parents and guardians,

We are excited to announce the launch of our new science partnership with the Ogden Trust. For the next four years our school will be part of an Ogden Trust science partnership providing extra physics opportunities for our children and others across the partnership.

This is the first of a termly newsletter informing you of all the activities taking place across the partnership. The schools involved are Greet Primary School, Wyndcliffe Primary School, Ark Victoria Academy, Yardleys School, St Bernards Catholic Primary School, St Bernadettes Catholic Primary School and Marlborough Primary School.

Each term we will share a newsletter explaining all of the different events that we have been holding across the partnership promoting science, and in particular physics. The **launch event** will be taking place on **Wednesday 15<sup>th</sup> November** with all primary school and Key Stage 3 children from across the partnership taking part in **science related activities/ workshops**.

**9:30-10:30am Y1 & Y2 workshop** with Jenny Watson online with resources for experiments for all children.

**9:30-10:30am KS3 workshop** with Matt Prichard science magician with demonstrations and discussions.

**11:00-12:00 – Y3-6 workshop** with Matt Prichard science magician with demonstrations and discussions.

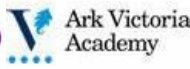

There will be many more activities and events from this partnership throughout this year and subsequent years of the partnership. If you have any questions or want to know more please contact the school office and ask to speak to me (Mr Seabrook).

You can read about the Ogden Trust through this link:
