Dear Parents / Carers,

We are writing to inform you about a change to celebration assemblies. As you are aware, we are always looking for ways to improve teaching and learning. Currently, we are trialling a 'pre teaching' exercise in Maths. This is to help ensure that all children achieve the expected standard in Mathematics.

Due to this, it has meant that we have to be more flexible with when we can have assemblies during the school day and this can change from week to week. We value your support and encouragement in celebrating the children's successes in school, however we are currently unable to dedicate specific slots to give you the notice required to invite you in to school to celebrate with us weekly.

Please be reassured that teachers will still award certificates each week to selected pupils.

We know celebration assemblies are an important link between school and parents, so we are re-evaluating how and when celebration assemblies are shared. We will inform you as soon as we have further information about how these will look moving forwards.

Thank you for your continued support.

Mrs S Carrigan
Academy Principal
