We do not offer money off vouchers or discounts to encourage you to spend more on items that you very often do not require. Our prices remain the same throughout the year and so does the level of service and expertise that we offer both you and your child.

At National Schoolwear Centres we passionately believe that quality and service are the key ingredients to success in retailing school uniform. We do not advocate “disposable clothing” we believe that parents want quality and exceptionally good value. It is especially important that uniform lasts and does the job properly.
