## Key Stage 2 RE Objectives

Pupils should be taught to:

- 1. Describe and make connections between different features of the religions and worldviews they study, discovering more about celebrations, worship, pilgrimages and rituals.
- 2. Describe and understand links between stories and other aspects of the communities they are investigating, responding thoughtfully to a range of sources of wisdom and to beliefs and teachings of different communities.
- 3. Explore and describe a range of beliefs, symbols and actions so they can understand different ways of life and ways of expressing meaning.
- 4. Observe and understand varied examples of religions and worldviews so that they can explain, with reasons, their meanings and significance to individuals and their communities.
- 5. Understand the challenges of commitment to a faith community, suggesting why belonging to a community might be valuable.
- 6. Observe and consider different dimensions of religion, showing an understanding of similarities and differences within and between religions and worldviews.
- 7. Discuss and present their own and others' views on questions of belonging, meaning, purpose and truth, through different forms such as music, art and poetry.
- 8. Consider and apply ideas about ways in which diverse communities live together for the wellbeing of all, taking account of values, community and respect.
- 9. Discuss and apply their own and others' ideas about ethical questions, including ideas about right and wrong, and justice and fairness.

(Objectives taken from NCFRE – National Curriculum Framework for RE, following the structure of the National Curriculum Review)
