Welcome...

to the Summer term edition of Year 4 Grove Newsletter for the current school year. It is guaranteed to be incredibly busy and we want to thank you for supporting our events and special days this term. We have enjoyed working together with your children, and look forward to playing a part in their journey through Year 4 in the Summer term. Our topic for the Summer term will be—The Tales of the Barely Believable.

Curriculum Coverage

The children will be studying the following topics over the next term:

Maths: We will be continuing to use our new 'Power Maths' scheme to look at fractions, as well as working on statistics and geometry. Of course, we will continue to work on times tables.

Science: Exploring the habitats and classifications of different animals including those who live in the wild, which links to our classroom novel.

History: Greek Mythological animals and creatures.

Geography: Habitats of animals in the wild and locally.

Art: Studying and recreating Roman mosaics.

D&T: Creating habitats for wild animals.

PSHE: Can I change who I am?

RE: Other religious beliefs as well as exploring religion and animals.

Music: Listening to Vivaldi and the Four Seasons, making links to the Riverbank scene from our class novel.

Weekly homework will include times tables, maths and spelling practice.

Children should read daily and need to bring their reading books and communication diaries in each day.

Over the holidays, can you please make an animal mask to wear on our launch day.

Thank you
