School Uniform

We are proud of our uniform at Grove Road. We encourage the children to look smart as we believe that it gives them a sense of belonging and pride in our school. Ask for your co-operation in supporting the uniform policy at Grove Road.

We expect all children to wear our school uniform every day:

- **Maroon jumper or cardigan**
- **White shirt, blouse or polo shirt**
- **Dark grey trousers/shorts or skirt**
- **Grove Road School tie (optional)**
- **White, black, grey socks**
- **Checked or striped red dresses for summer wear**
- **Sensible black school shoes (not trainers.)**

Please note that trainers are not allowed as general school footwear.

P.E. clothing is essential. Plimsolls are only appropriate for outdoor PE for Early Years pupils. Children come to school in their PE kit on the days when they have PE your child's class teacher will tell you what day this is.

They will need to wear:

- A plain T-Shirt
- A pair of shorts or joggers/leggings
- Pair of plimsolls or trainers
- School jumper or cardigan

Football kits should not be worn for PE lessons

A stylized sun with orange and yellow wavy rays is on the left. A cartoon character with large blue eyes and a green body is in the background. A dark blue rectangular box with a white border is on the right, containing text.

SUN SAFETY

AS THE WEATHER IMPROVES AND WE ENJOY THE SUNSHINE, PLEASE CAN YOU MAKE SURE THAT YOUR CHILD HAS SUNSCREEN APPLIED BEFORE THEY ARRIVE AT SCHOOL AND THAT THEY BRING A SUN HAT AND WATER BOTTLE WITH THEM EVERYDAY.

CHILDREN ARE ABLE TO RE-FILL THEIR WATER BOTTLES THROUGHOUT THE DAY – PLEASE REMEMBER THAT THEY SHOULD ONLY BRING PLAIN WATER TO DRINK.

As you know, we have a wonderfully dedicated staff team here at Grove Road, I simply could not ask any more of them.

The feedback from parents and staff about the use of Seesaw is excellent, I really love to see the interactions between school and home. As a parent myself, I know the reassurance and joy it brings, seeing your child's journey through school.

Please can I remind everyone though, that staff are not expected to monitor or respond to emails or messages outside of their normal working hours (including weekends and published school holidays).

Whilst parents/carers may compose emails at hours to suit their own needs, they need only be addressed during working hours.

Seesaw and email, must only be used for non-urgent, school related, communications. For anything that requires an urgent response, please contact the school office.

MOBILE PHONES

YEARS 5 & 6

Can we please ask for your help and support with ensuring we don't have phones/ smart watches in school unnecessarily.

We have had an increase of children bringing their phones into school, only if your child walks on their own either to, or from school, should they bring it with them.

We will be collecting them at the door on the way into school, to avoid any incidents where they can be left turned on and used in school.

They must be switched off as they enter the playground, and not be turned back on until off school premises.

Our expectation is that children in Year 4 and below will not bring a mobile devices/smart watches

What Parents & Educators Need to Know about

PALWORLD

In Palworld, players head out into an environment where they must craft items and survive alongside creatures called 'Pals'. In this sense, it's similar to Minecraft: fight monsters while maintaining a base. Palworld has sold more than six million copies and often has over two million people playing online simultaneously.

WHAT ARE THE RISKS?

MATURE CONTENT

18
CENSORED

While Palworld may look cute and cuddly, the game does have its more mature moments. For example, if you try to catch a Pal and don't succeed, the game displays a mild swear word. There are also minor references to inhumane acts like slavery when getting your Pals to perform certain tasks for you. While the presentation is intended to be humorous, this could still be seen as being in poor taste.

VIOLENCE

Palworld has been referred to as "Pokémon with guns" and with good reason. As the game progresses, Pals can be given firearms, explosives and other weapons, allowing them to fight by the player's side. There are several moments where cute animals use these guns to kill other Pals or fight against bosses. The violence is cartoonish and bloodless, but it's present.

SUGGESTIVE WRITING

Some of the Pals' descriptions – found in the game menu – can be very suggestive and adult in nature. The game makes a joke of balancing on the line between age-appropriate and mature content: playing on the contrast between the two while never being outright explicit. While it's possible that younger players won't notice this content, it's just as conceivable that they will.

ONLINE PLAY

Palworld can be played with other people online. On Xbox, players can only play with people on their friends list. On PC, however, up to 32 players can share in the same game, playing in a large online world, and these players may not necessarily be known to the host beforehand. It can be quite complicated to set up these servers. However, it can be quite complicated to set up these servers (online worlds) and they cost money to keep active.

DIFFICULTY

Despite its endearing visuals, Palworld is actually an extremely difficult game in places: defeating bosses, catching Pals and exploring the environment can all be very tricky. It takes a lot of skill – or working together with a friend – to be successful, which could be off-putting or even aggravating to a player expecting something more like Minecraft or Pokémon.

Advice for Parents & Educators

WATCH GAMEPLAY

Watching gameplay and reviews for Palworld on sites like YouTube is the best available means of gathering information on it, second only to playing it for yourself. Currently, there are plenty of videos showing this game off to the internet at large, along with detailed breakdowns of what can be found or done within it.

LEND A HAND

By learning the basics of the game – Pal catching, battling, crafting items and building up a base – you can help to lower the difficulty for younger players. This, in turn, decreases the likelihood that such players will need to look online for tips and tricks, where they could quite easily stumble across more violent and mature content associated with the game.

SET CONTENT LIMITS

As Palworld is available on Xbox Game Pass, it's easy for players to access it. Any player subscribed to this service can simply find the title on Game Pass and hit the download button. If a child or young person isn't allowed to play Palworld, the best way to prevent them downloading it regardless is to enable age limits on their account. Setting the limit below 12 will not allow users to install Palworld.

PLAY TOGETHER

By playing Palworld yourself, you'll have the best chance of catching any content that you don't think is suitable for children, as well as getting an idea of how violence is presented in the game. The conflict is cartoonish in nature – until players and Pals unlock the ability to use guns, at which point it can become more intense. It's likely best for you to give it a look and form your own opinion.

PLACE BOUNDARIES

Limit options when it comes to online play. For players on PC, they'll still be able to cooperate with friends through the game's multiplayer option, much like Xbox users. Just because they have the option to run a dedicated server that's open to anyone doesn't mean they need to take it. The risks of interacting with strangers can be significantly lowered or even eliminated entirely by playing on servers which are restricted to friends only.
