## Weekly Update

Welcome to our latest weekly update, we hope you find the information useful.

### Key dates and upcoming events

Please make a note of the key dates and upcoming events in the school.

### Singing Club

We are aware a number of parents having difficulties booking singing club on Parent Pay. The steps to make a booking are menu, payer dashboard, choose your child and then clubs.

### Medication

As a reminder school can only accept medication that has been prescribed to them, we can not accept any other medication in school such as Paracetamol or Ibuprofen. Prescribed medication should be handed into the office where you will also need to complete the relevant medication form. **Please do not put any medication in your child's bag.**

### Information we hold for your child

As we are in a new academic year it is the perfect opportunity to check that the information we hold for your child(ren) are correct. We will shortly be sending home a summary sheet of the information we hold. Please ensure you review this information and if anything has changed, please inform the school office by **Wednesday 8<sup>th</sup> October**.

### **Packed Lunches**

A healthy packed lunch will give children the energy and nutrition they need to get the most from their day- helping them to stay healthy, feel good and be ready and able to learn. Packed lunches should be made up of foods from the main food groups in the [Eatwell Guide](#).

Also, if you send your child with grapes in their packed lunch, please can you ensure they are cut in half length ways.

Please ensure you do not send your child with any products containing nuts, we are an allergy aware school.

### **Attendance**
