

Brendon Batson

The school were extremely lucky today, as we had a questions and answer session with the famous ex-footballer Brendon Batson. The children from years 2-6 had an assembly, where they had the opportunity to ask him any questions.

Brendon was a pioneer for black footballers in England. He was the first black player to play for the Arsenal first team. In 1978 he followed Ron Atkinson to West Bromwich Albion, where along with his team-mates Cyrille Regis and Laurie Cunningham, he became a key figure as a members of 'The Three Degrees' (nicknamed after the vocal trio of the same name). Their success played an integral part in the development and improved conditions for black players within the English leagues. Brendon was forced to retire in 1982, following a serious injury and joined the PFA as senior administrator, rising to the position of Deputy Chief Executive. He was awarded an OBE in 2014 in recognition of achievements and services to football.

Brendon shared his experiences of life living in Grenada and being part of the Three Degrees at West Bromwich Albion and the racism he has experienced during his lifetime. He also spoke about racism in football now. The children were inspired by his story and mantra of 'remember, who you are, where you are and who you represent'. Brendon commented on the exemplary behaviour of our pupils. He also met with our school football team and spoke about future tactics!

Guru Nanak 550

As it is 550 years since the Birth of Guru Nanak Dev Ji's (Who was the founder of

Sikhism and the first of the ten gurus) – we will be celebrating at school by running a competition for both Ks1 and Ks2.

This will entail the child to produce the following:

- •An A4 or A3 poster about Guru Nanak Dev JI
- •A Poem or hymn
- •A story about his life
- •His main message/golden rules.
- •Or any other ideas are welcome too.

The best two entries from each class will receive a prize in school and have their work displayed in school.

The deadline will be 11th of November 2019.

<u>Time Zone</u>

On Monday, Year 4 were visited by TimeZone for a Viking day. They started off by getting dressed up in tunics and learnt all about how Viking families lived and worked. They were then shown different Viking artefacts and learnt all about how they were made, only using things they had access to like bones and wood. They got to have a go at working with replica artefacts such as grinding their own flour using large stones and drilling holes using 'pump drills.' They had a go at creating their own thread as well as weaving using traditional looms before heading out with spears and shields to practise our own battle cry and march. All in all, we had a fantastic day and it was the perfect start to our Viking topic.

Book Fair

Thank you to everyone who supported our book fair during the last week of term. We sold £1189 worth of books, which entitles us to £600 of books for the school.

Parents Evening

Thank you to all the parents who attended parents evening. After a very successful launch of the new online booking system we had 378 parents make appointments, 89 % of our parents attended. Please contact your child's class teacher to make an appointment if you were unable to meet them last week.

Visiting Artist

We have been very lucky this week that the artist Darrell Wakelam, has been working with some pupils to create some fantastic art work for the school library.

The theme was famous children's authors and, I am sure you will agree, the final pieces are amazing. These will be on display in the library very soon.
