16 November 2020

Dear Parents,

RE: Virtual Book Fair

I am very pleased to announce that from Monday 23rd November we will be launching our first ever Scholastic Virtual Book Fair.

The Virtual Book Fair is a week-long reading event that brings the very best in children's books to our school. They are carefully handpicked by the Scholastic team of experts. As this is a Virtual Book Fair, this means that there are no physical books in school for children to look at.

You will be able to browse the full range on our Book Fair in advance using our new Parent Order Forms. These will be sent to you via Parent Pay. Simply browse the books and complete the order form provided. You then need to pay for the books you wish to purchase using the phone pay method and return your order form to school to enable your order to be processed. Instructions on how to pay for the books will also be sent to you via Parent Pay. No cash will be handled, so please ensure that this method has been carried out before returning your order form to school.

All order forms need to be returned to school by Monday 30th November.

During our Virtual Book Fair Week, each class will be carrying out different reading related activities.

I hope that you will be able to join us and make this celebration of reading a huge success!

Yours Faithfully

Miss Powell
