# The Grove Valer

## Ambition Day

This term our core value is '**Ambition**'. On Thursday 27th June we are having an Ambition Day. On this day children can dress up as what they want to be when they are older. We would also like to invite parents to come into school and talk about what they do for a living to help inspire children for future careers. If any parents are available please contact the school office. Activities on the day will include; discussions on different jobs, discussions on what the children want to be when they are older; completing job application forms; discussions regarding social skills and qualifications needed to do the job they want; discussions regarding the path the children might need to take to do the job they want e.g. secondary school, college and university.

## Sports Results

Well done to the girls Netball team who won 5-2 in their match against Hanbury Primary on Monday. Thanks again to Mr Dodd and the parents who helped with transport.

Congratulations to the girls football team who won 2-1 (goals by Ayla and Millie) in their game on Wednesday against Hanbury Primary.

## Journey to the bottom of the garden

On Tuesday 25th June we have a theatre company coming in to school to perform a science themed play 'Journey to the bottom of the garden' to the KS1 children. The cost of this has been covered with all the generous donations we have received from the selling of programmes and food at special occasions.

### Summer Fayre

It is with regret that we have made the decision to postpone the Summer Fayre until the Autumn term. Offers of support to prepare, organise and run the event have been limited and we do not have enough people or donations to run a successful fayre. We hope we can organise another successful event soon that raises money to benefit our children. Thank you for your continued support.
