Dear Parents/ Carers

Warm Welcome to New Parents and Opportunities to Get Involved

I hope this letter finds you all in good health. As the Chair of the School Governors, it is my great pleasure to extend a warm welcome to both new and returning parents as we embark on another exciting academic year at Guilden Morden Primary School. I hope that after the first few weeks everything has settled into a smooth rhythm.

Allow me to introduce myself. My name is Sarah Fryer, and I am honoured to serve as the Chair of the School Governors for this academic year. I am truly passionate about education and am dedicated to working closely with the school's leadership team, staff, parents, and the community to ensure that Guilden Morden continues to provide an outstanding educational experience for our children.

As we embrace the beginning of the school year, I would like to take this opportunity to invite more parents and members of our community to consider becoming school governors. Our governing board plays a vital role in shaping the direction and success of our school. We believe that the inclusion of a diverse range of perspectives is essential for effective governance.

Becoming a governor offers a unique opportunity to contribute to our school's development and growth. Whether you are a parent with a child at Guilden Morden or a community member with a vested interest in our school's success, your insights and dedication can make a significant impact. If you are interested in becoming a governor, please contact our school office for more information on the application process.

Furthermore, we are also in search of a dedicated Clerk to the Governors who will assist in the smooth operation of our governing body. This important role involves record-keeping, providing administrative support, and ensuring that our meetings run efficiently, with support from DEMAT on governance law. If you have the necessary skills and are interested in this role, please express your interest through the school office.

In addition to our governance opportunities, I am delighted to inform you about some upcoming events. Our Parent-Teacher Friends Association (PTFA) Annual General Meeting (AGM) will be held on October 13th. This meeting is an excellent opportunity to get involved in the PTFA and learn more about how you can support our school. Details regarding the AGM will be shared with you in due course.
