

GUISELEY SCHOOL

9th November 2020

Dear Parent/Carer

I am writing to provide you with information about our Relationships and Sex Education (RSE) consultation.

In line with statutory guidance from the Department for Education regarding RSE we are launching our consultation regarding our RSE policy.

In the consultations section of the website you will find a short video presentation about RSE and how we deliver it in school. Within this section you will also find the draft policy and a link to a short survey. We would ask should you wish to participate in the consultation, that you take the time to watch this presentation and read the policy before completing the survey.

We will review the survey feedback and where appropriate make any relevant changes.

We appreciate your time in reviewing these materials.

Yours sincerely
