

9 November 2020

Dear Parent/Carer

### **Sixth Form Open Evening**

We are writing to you to invite you and your child to the Guiseley School Sixth Form Open Evening, which will take place on **Wednesday 18 November 2020**. We are unable to operate a face to face meeting and so this event will be held virtually. The open evening will be open to view from 6pm, if you are unavailable at that time then the event will be accessible on the virtual information section of the school website.

There will be presentations outlining the Sixth Form options available to your child and an overview of the programme of guidance/support we offer. The procedures for the on-line Start to Apply system, will also be explained. There will be separate presentations by Curriculum Leaders and students giving you and your child details about each subject. In addition the school website has a Sixth Form section that will answer many of the questions that you may have.

If you are unclear about any of the procedures for the evening or you require any further information, please do not hesitate to contact Stuart Gadd (Director of KS5) or Louise Button (Deputy Director of KS5).

Guiseley School Sixth Form has a strong reputation for success. This is reflected in our examination results where students progress is consistently above local averages. Our students have a wide range of progressions routes from Oxford University to apprenticeships with Land Rover. We hope you are able to watch our virtual event and are confident that the evening will be highly informative in explaining what is available, to all post-16 students, here at Guiseley School.

Yours sincerely

Stuart Gadd
