

GUISELEY SCHOOL

17 September 2020

Dear Parent/Carer

With the deadline for choosing the best secondary school for your child around the corner, I am writing to inform you of our forthcoming opportunities to find out more about the high quality education offered at Guiseley School.

We know that making this decision can be difficult even under normal circumstances and that the limitations posed by COVID restrictions will make this even more challenging. At Guiseley School we want you to feel as informed as possible about this choice. This year we are excited to be able to offer a virtual 'Open Evening' event on our website during week commencing Monday 28 September. We look forward to being able to share with you the ethos of Guiseley School and what you can expect in terms of the delivery of our high quality curriculum, pastoral systems and transition programmes. We will be able to show you our brand new 'Sports and Arts' building and update you on the next stage of our rebuild project; the completion of our state of the art teaching block.

Our Year 6 into 7 Information Event will enable both prospective parents/carers and students hear about the high quality education and wealth of opportunities that we can offer your child. We will be sharing a speech by the Headteacher and members of the Leadership Team, information from the Year 7 Pastoral Team, and some of our current students will tell you about their experiences of Guiseley School. Individual departments will give you an overview of their curriculum areas of focus and you will be able to see a video of some of our outstanding new facilities.

The virtual Open Evening will go live on our website at 5:00pm on Monday 28 September. On the Monday 28 and Tuesday 29 September you will also be able to access, through the same webpages, an on-line form that will enable you to book a telephone call-back about any particular query you might have. This would be on the afternoon of either the Wednesday 30 September or Thursday 1 October with one of our transition team or senior leaders.

I am sure you will agree that this is an opportunity not to be missed.

Yours sincerely

Hannah Ogden
