

## GUISELEY SCHOOL

15 May 2020

Dear Parent/Carer

As part of our commitment to provide our students with ongoing Careers guidance, we have created a new section on the school VLE within the Closure work section. This is titled Careers Information and inside it we are uploading careers resources and information for our students and parents/carers, to keep up to date with the latest careers news and developments.

There are numerous websites that also provide lots of information. Two websites that students and parents will find useful are:

<https://successatschool.org/>

This is a place for young people to explore careers, find out about employers in the area and search for the latest jobs, courses and advice. There is also a Career zones section which has a question facility and forum where students and parents can submit any queries about the job sectors they are interested in.

<https://www.startinleeds.com/>

Start in Leeds brings together the best information and inspiration about careers in Leeds. The website has lots of activities related to careers and further education. Start in Leeds also provides the facility for students to build their own profile so they can receive personalised information and advice.

We also have our Careers advisor, Lesley Wright, who is available to assist with advice for our students and parents/carers and she can be contacted by email at [wrightl09@guiseleyschool.org.uk](mailto:wrightl09@guiseleyschool.org.uk).

I hope that you are all keeping safe and well and if you have any queries regarding Careers information or require any Careers advice then please contact the school on [info@guiseleyschool.org.uk](mailto:info@guiseleyschool.org.uk).

Yours sincerely

Stuart Gadd  
**Assistant Headteacher**  
**Director of KS5**
