

Guisseley School: Proposal to reduce the Published Admission Number

Dear Stakeholder

Introduction

The Governors and the Leadership Team of Guisseley School propose to reduce the Published Admission Number (PAN) for new Year 7 pupils from 240 to 210, to take effect from 2021 for families seeking admission in September 2022. The proposed change will help the school effectively focus its learning and teaching resources to significantly improve the education offered at Guisseley School. No other changes to the admission arrangements will be made. The proposed change will not affect the current pupils or those who choose to accept an offer for a Year 7 place in September 2020. Governors would like to ensure that all current and future parents, and any other interested stakeholders can make comments on this proposal. Information on how you can do this is detailed at the end of this letter under the section titles "How to make your views known".

Background

The current Published Admission Number (PAN) for Guisseley School is 240. Reducing the PAN will assist Governors and leaders in ensuring stability in its long term planning and allow the school to secure high quality educational outcomes for the pupils currently on our roll, while continuing to provide an appropriate number of places for future pupil numbers in line with demand in the local area and surrounding localities. Although the Regulations and Code of Practice relating to school admissions no longer require an admissions authority to consult when maintaining or increasing a schools PAN, there remains a requirement to consult when the proposal is to reduce. Guisseley School Governing Body, as the admissions authority for Guisseley School, is seeking comments on the proposed change.

Specific Proposal

The Governing Body propose to reduce the Published Admission Number (PAN) from 240 to 210 with effect from September 2022. This means that the number of school places for pupils wishing to request a place to attend Guisseley School in Year 7 in 2022 will be 210, as will all subsequent Year 7 cohorts thereafter. For pupils who already have a place at Guisseley School in other year groups, there will be no change. This is the only proposed change to the admissions criteria; all other criteria will remain the same.

The consultation will run from November 9th 2020 until December 21st 2020.
