

The following is our plan for trips and visitors for this academic year. Each trip or visitor enhances the learning that is happening in each year group and we are really excited to see this come to life! Do look at the second page which explains which curriculum areas the trips link to. The suggested voluntary contribution costs have been kept to less than £60/year and are subject to slight change due to changes to pupil numbers/entry prices. The cost of the Year 4 and 6 residential are on top of this cost and are as follows:

- Year 4 Residential £296
