Parent Newsletter 03/03/2023

Diversity is the practice or quality of including or involving people from a range of different social and ethnic backgrounds, different genders, personalities, life experiences and beliefs (google). At Gusford we are working towards becoming more inclusive. We will be introducing the No Outsiders programme to all year groups, welcoming a range of resources and reading materials that contain illustrations of many families and characters covering a wide audience. Help us to be more inclusive and celebrate individuality and diversity. Thank you

Our collection box is located in the school reception area. The two schools who collect the most tokens per pupil will win £1000. Every school that collects more than 1000 tokens will receive £50 to spend. Please help us by saving tokens and bringing them into school!

FRIDAY 17 MARCH

Red Nose Day – Friday 17th March 2023

Wacky Hair Day – Children may either wear something red or come in non-uniform. Please bring a donation in if you wish to support Comic Relief.

Year 5 and 6 Bikeability

We still have a few spaces left for Bikeability – The course will be held in the playground to begin with and then training will take place on roads at pre-risk assessed locations allowing children to experience and learn the manoeuvre necessary for the majority of their cycling needs.

Please contact the office by either calling or emailing us on admin@gusfordprimary.net

Well done to the children who represented us in our Under 9 Dodgeball tournament. The children displayed great team work, attitude and fair play – Well done!
