Parent Newsletter 14/07/2023

We would like to thank all the staff that have worked and supported the teaching, learning and nurturing of the pupils this year. We say farewell to a few as they move into teacher training, promotions or their contract has come to an end. They have each dedicated their heart to Gusford and we wish them well.

Congratulations to the following children who were chosen as star of the week!

Atlantic and Shakespeare class won this week's class attendance – winning gold tickets for everyone in their class!

Year 3 have been learning how to construct 3D shapes and describing the properties of the shapes that they have created – Great job Year 3!

Children had fun last week meeting their new teacher and spending time in their classroom for next year. During transition Year 3 made some lovely superhero masks with their new Year 4 teachers.

We were so proud of our Year 4 children who performed brilliantly at the WCET Festival at Trinity Park recently. They played and sang amazingly well!! Thank you also to all the parents who joined us for the concert.

We are looking for any old or unused technology to help support learning in school. A few examples could be old keyboards, phones and cameras but all types of technology would be great! It doesn't matter if it is broken or doesn't work, we're looking for a range of technology. Please drop any old technology off to the school office - remember to factory reset any devices! Thank you.
