Parent Newsletter 16/09/2022

WOW what an amazing week at Gusford! We welcomed 4 Inspectors from Ofsted who spent two days working intensively in the school to check we are robust and accurate in our judgements and to check safety, behaviour, attendance, quality of education, Early Years, leadership and management. It was a perfect opportunity for pupils governors and staff to demonstrate how much they care about the school and one another. The report and outcomes will be shared with the school in a few weeks and then shared with parents and carers.

During music assembly this week the children learnt about our composer of the month – make sure you ask your children about Scott Joplin. They also learnt a song from the Congo – ask them to sing it for you.

We also have drawn our first golden ticket awards today – well done to those pupils who have received a prize this time. The next draw will be in a fortnight.

## SAFETY

You are reminded that dogs are not allowed on the school premises. This includes the playgrounds and car parks etc. If you bring a dog with you to drop or collect your children please keep it away from the school entrances too. This enables the many families to walk safely into school. We have asked the local PCSO (Police Community) to start to patrol the area at the start and end of the day.

Thank you for your help.

## Polite Reminders

Please can you ensure that your child(ren) bring all equipment and lunch/drinks they need for the school day with them. We are seeing an increased number of items being dropped into the school office after registration, which means that learning is often being disturbed whilst we deliver items to class.

## Meet the Head – (Year 6 pupils) Stoke High School
