Parent Newsletter 25/05/2023

This week we were visited by external auditors for a review for Safeguarding, they met with children, staff, governors and parents. Thank you to everyone that spoke to them. It included information on recruitment, security, classroom management, behaviour, attendance, online-safety, bullying, racism and more! We will receive the full report shortly, and then share more with you, but we are extremely proud of the initial feedback!

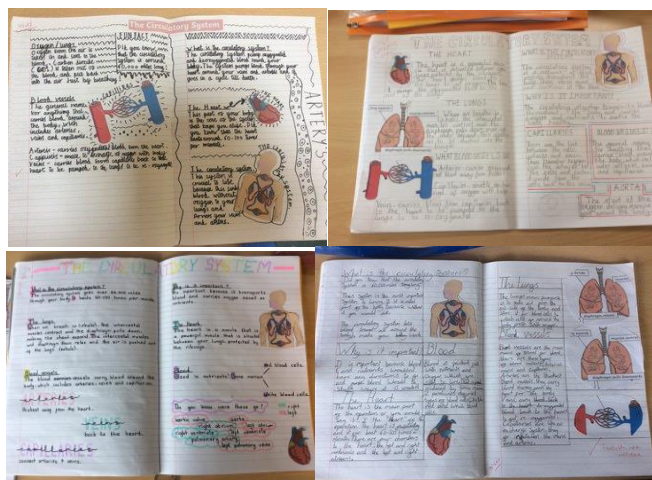

Congratulations to the following children who were chosen as star of the week!

Reception: Maddison and Millie
Year 1: Harry, Tommy and Gracie
Year 2: Bobby, Isobel and Mina
Year 3: Leo C, Emily F and Emily Z
Year 4: Loralye, Tia and Morgan

Planets and Bronte class won this week's class attendance – winning gold tickets for everyone in their class!

Super Science in Year 6! The children have been learning about the circulatory system and writing reports about their findings.

Medical and Dental Appointments

We ask that you please make every effort to avoid booking medical and dental appointments during school time. A child leaving during the school day is not only disruptive to them but also to their classmates. Thank you

We are very excited to announce our very first Football and Rugby Summer Tour for girls and boys aged 5-11! Throughout our tour, we will be travelling to 6 different locations in 2 weeks to provide high quality training pop-up days to children in Suffolk and Hertfordshire that have an interest in either Football or Rugby.

Our sessions will be divided into two age groups, our minis (ages 5-7) and our juniors (ages 8-11) to ensure our students get high-quality and age appropriate training eg. tag rugby for minis and introduction to contact in juniors.

Our tour is suitable for both children that have never played the sports and wish to try out something new, and children who already train and wish to come and see what Castle Coaching is all about! We can't wait to get started and look forward to seeing you all there!
