9<sup>th</sup> June 2026

Dear Parents and Careers,

As you will be aware, our school will be closed on the upcoming strike days. We understand that this may present challenges for families, and we would like to offer some optional home learning activities for your child to complete if they wish.

Please note that this work is entirely optional and will not be collected or marked. It is simply provided as an opportunity for children to remain engaged in their learning while at home.

The suggested activities are designed to be flexible and manageable. They may include:

- Reading for pleasure (a book of their choice or sharing a story with an adult)
- Practising key skills such as times tables or spelling words
- Writing a short piece, such as a diary entry about their day or a creative story
- Engaging in a practical activity, for example drawing, building, or exploring outdoors (where appropriate and supervised)

We encourage children to approach these activities in a relaxed and enjoyable way. Wellbeing and family time are equally important, and there is no expectation for all activities to be completed. All home learning can be found here, this will be uploaded by 8am on Wednesday 10<sup>th</sup> June: <https://hallam.secure-primariesite.net/home-learning/>

We appreciate your ongoing support and understanding during this time.

Thank you for your continued support.

Yours sincerely,

Jemma Hendley  
Assistant Headteacher
