Monetary contributions

Dear Parents and Carers,

Unfortunately, we need to make the decision to start asking for contributions for things we have previously funded ourselves. As I am sure you will be aware, school budgets are incredibly tight and just don't stretch far enough to give our children some of the opportunities we really want to give them.

Previously we have asked parents for contributions for trips and residentials and tried to keep it to that. Moving forward we will need to ask for contributions for travel to sporting events (ones where just a few children are selected, that we have previously funded as a school ourselves), DT projects where materials are required to produce a product or if food is required. This list isn't exhaustive and other things may pop up where we ask for a contribution.

This is a difficult letter to send and not one that has been taken lightly, but to allow the opportunities we offer in school to continue, this is the only option.

Yours sincerely,

Jenna Ramsden
Headteacher
