Headteacher: Mrs J Ramsden

Chair of Governors: Mr A Matthews

Dear Parents and Carers,

As we come towards the end of the academic year, we would like to share some information to support your child's move into the next year group. This is always an exciting step, and we are very much looking forward to welcoming the children into the next stage of their learning.

Start and end of day

We would like to reassure you that there will be no changes to the start and pick-up times these will remain the same as they are currently.

The school entrances;

- Y3's moving into Y4 – The entrance remains the same. However, as the Year 4 classrooms are located at the end of the building, near the top of the steps, children may use the small entrance to the left more regularly.
- Y4's moving into Y5 – Children enter via the side door by the year 5 classroom, this is accessed via the EYFS entrance off the public footpath.
- Y5's moving to Y6 – Children enter via the main entrance through the double doors behind the trim-trail on the Y3/4 playground.

Tuck shop

Key stage 2 Tuck shop arrangements will continue and will still take place at break time. Children are able to enjoy a healthy snack such as a piece of fruit or a yogurt at a cost of 35p. As before, tuck shop credits will need to be pre-paid via ParentPay.

Personal items in class

One small change we will be making in Key Stage 2 is that children should not bring their own pencil cases, fidget tools or similar items into school (unless this has specifically been agreed in SEND reviews). Unfortunately, personal items have sometimes been lost or accidentally damaged, which has caused upset.

Please be assured that school provides everything your child needs to be successful in their learning, and this helps us maintain a calm and focused classroom environment.

Thank you for your continued support as we prepare for this transition. If you have any questions, please do not hesitate to get in touch.

Yours sincerely,

Ben Fielding
