### Cross Country Season 2025-2026

Dear Parents and Carers,

I am writing to inform you about the upcoming cross-country fixtures whereby your child has the opportunity to represent school. All KS2 (Y3-Y6) children are welcome, whether they are experienced runners or trying it for the first time. Cross country is a fantastic experience for keen runners or children who just want to have fun whilst being active. It would be great to see as many children there as possible to represent our school.

The fixtures take place on a Saturday morning. The races start at 10:00am but you may arrive 30 minutes in advance to give your child time to walk the cross-country course. Please be aware that you must stay with your child at the event. A member of school staff will try and be there as much as possible to offer support. When you arrive at the venue, please look out for the Hallam Primary school flag, this will be the meeting point.

Please see the list of fixtures below. If any venues change, this will be communicated with parents as soon as possible.
