

## Collection of Stakeholder Voice

**October 2026**

Dear Parents and Carers

As part of our ongoing commitment to continuous improvement and collaboration, schools within our cluster are working together to gather the views and experiences of all key stakeholders – including pupils, staff and families.

Your voice is incredibly important in shaping the future of our schools and ensuring we continue to provide the highest quality education and care for every child.

This initiative will help us to:

- Understand what is working well across our schools
- Identify common challenges and areas for improvement
- Share best practice between schools
- Strengthen the partnership between families and schools.

Please complete the Microsoft form on the link here <https://forms.office.com/e/kGKgNpH0Wp> by Friday 31<sup>st</sup> October.

Children will complete their survey in class with the support of their teacher.

Thank you for your continued support and involvement.

Yours faithfully
