### Welcome Back / Weather

Dear Parents and Carers,

Welcome back and Happy New Year! I hope you have all had a lovely break and had some time to relax with your families. Here's to a brilliant year at Hallam.

Thank you for your patience and support this morning. We will always aim to open the school as usual or with a delayed start if it means we are then able to open, this is for the safety of both staff and families. In the case of bad weather, I will try to let you know as early as possible about any closure or delayed start. I will aim to text by 6:45am where possible if there is a closure or delayed start.

With this in mind and looking at the forecast for the rest of the week, I think it looks positive that we will open tomorrow but if the heavy snow that is forecast to fall tomorrow evening is correct, this may not be the case on Friday. If the snow starts falling heavily tomorrow during the day, we may have an early closure or cancel After School Club.

I have attached the information sent last term regarding early school closure and where to collect your child from (as this may not be their usual collection point.) please take time to read this, so you know where to go if this happens.

To reassure you, we will do everything we can to open but we need to put the safety of staff and families first.

Hopefully we will get to the weekend and not have to use any of the above plans.

Kind regards,

J Ramsden
