Reception Nativity 2026!

Actions for parents

- Fill in the slip for tickets and **return to your child's class teacher** no later than Wednesday 11th November.

Dear Parents and Carers,

Although a little while away, here is the information for our Reception Nativity Performance 2026.

The children will start to practise some of the songs after half term and we are very excited to perform for you. With this fast approaching I am writing to let you know how to get your tickets.

The children will be performing on both of the following days:

Wednesday 2nd December at 2:15pm AND Thursday 3rd December at 9:30am

Please return the form below stating which performance you would like and how many tickets. You will be **guaranteed 2 tickets** per child. There is also a section to complete where you can request extra tickets subject to availability (these are not guaranteed).

The form must be returned **to your child's class teacher** no later than **Wednesday 11th November**. Tickets will then be allocated and sent home with your child in the following weeks.

We will let you know over the coming weeks if your child's needs to bring any items for their costume.

Thank you for your continued support,

Mrs Hurst

Assistant Headteacher
