

Fun French clubs and curriculum classes

Every week, thousands of children across the UK enjoy Kidslingo's multi-award-winning curriculum classes and school clubs.

Why choose Kidslingo to support your MFL requirements?

- Our multi-award-winning programme supports the curriculum requirements across all age ranges
- A national network teaching French to thousands of young children every week
- Clubs and curriculum classes are delivered by fully trained expert linguists, who are DBS /PVG / NI Access checked, insured and safeguarding certified
- Kidslingo's focus is on fun and interactivity using songs, games, actions, stories and drama
- We are GOLD 5-star accredited members of the Children's Activities Association, promoting high standards in children's classes across the UK

Our French programme is fully designed to meet curriculum requirements. We aim to enhance cultural capital via a wider world view, supporting pupils' roles as effective global citizens.

We can provide MFL support to your school via:

- **School clubs (breakfast, lunchtime and after school)**
- **Curriculum classes**
- **Language enrichment days**
- **Secondary school transition classes**
- **Online live video / pre-recorded video classes**

All pupils attending our classes and clubs receive free access to our French (and Spanish) games website, with over 250 games in both languages with native speaker sound files.

The games are matched to the Kidslingo curriculum and can be played at home or used in school to support their language learning.

Our philosophy is to inspire young children to love languages

The Kidslingo language programme supports the curriculum as part of a broad and balanced education.

We aim to inspire your pupils to learn French through the structured use of

songs, actions, rhymes, game play, stories and drama.

We want your pupils to experience language learning via a positive, exciting and fun methodology, setting a strong foundation for their approach to languages throughout their education. Language skills play a key role in preparing pupils for the opportunities and experiences of later life.

The Kidslingo programme is designed to spark imagination and develop independent language learning through a wide range of age-differentiated topics. For example:

- All About Me
- Our Universe
- Summer Holidays
- About the Town
- Superheroes

As well as language skills in French, in each class we are also developing:

- Self-confidence
- Memory and problem-solving skills
- Attention span
- Communication proficiency
- Listening and speaking skills
- Self-awareness
- Imaginative play

Summary of how Kidslingo can support your MFL requirements

- School clubs (breakfast, lunchtime and after school)
- Curriculum classes including display materials, worksheets, assessment tools and access to 250 web games
- Classes to support your pupils' transition to secondary school
- Language enrichment days (for example European Day of Languages, Bastille Day or World Day for Cultural Diversity)
- Online live video / pre-recorded video classes
- Nursery classes if applicable to your school

What do our school partners say?

"Kidslingo clubs are a great opportunity for children to learn languages in a safe and fun environment. The Kidslingo teacher truly engages with the children and every session is fun. We are looking forward to yet another academic year with Kidslingo."

*J. Sowerby, MFL lead -
Weddington Primary, Nuneaton*

"Each Kidslingo lesson is carefully and sequentially planned and uses a variety of mediums including music, games and a range of tasks and activities to deepen and consolidate learning. The topics covered are embedded within our wider curriculum ensuring the Kidslingo lessons sit relevantly within our wider curriculum offering."

*Neil LeFeuve, Head Teacher -
St Bridgets C of E Primary, West Kirby*
