At Hallwood Park, we are exceptionally proud of all of our students, who are wonderfully kind, courteous, hard-working and sensible young people. The academic results at Hallwood Park should be viewed with consideration of our context of 71% PP students and over 40% SEND. Our data improves year on year, and we are so proud of each and every child. Highlights for the year 2024/2025 include 86% achieving ARE in KS2 SATS for maths, a figure well above national average, 100% of KS1 children passing the phonics screen, and an average MTC score that puts us well above national averages! This year's KS2 data is broadly in line with, or above National and LA averages in all areas, which we are immensely proud of!

Ms Graham,

Headteacher

	Above National Average (more than one child above)	Broadly in line with National Average (less than one child difference)	Below National Average (less than one child difference)		
KS2 Data	Hallwood Park 23/24	Hallwood Park 24/25	LA Average (24/25)	National Average (24/25)
