

Safeguarding at Hallwood Park

What is Safeguarding?

Safeguarding means keeping you safe, happy and healthy so you can learn and enjoy school. It means we will:

- Protect you from harm
- Help you if you feel worried or unsafe
- Make sure you are cared for and respected
- Teach you how to stay safe in school, online and in the community

Who Keeps You Safe?

All adults in school help keep you safe.

Some staff have special jobs:

- Designated Safeguarding Lead (DSL): Ms Graham
- Deputy DSLs: Miss Binks and Mr Wood

If you are worried, you can talk to **any adult you trust** – or one of these people.

What might make a child unsafe?

- Being hurt physically or emotionally
- Being bullied (in person or online)
- Not being looked after properly
- Someone saying or doing things that make you feel uncomfortable
- Seeing or receiving unsafe messages or pictures online

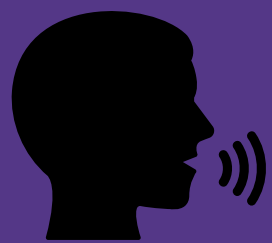

Bullying

At Hallwood Park we use STOP IT to explain bullying:

Several Times On Purpose, creating an Imbalance of power, that is Targeted

Bullying is never OK. If it happens, speak up straight away – we will listen and help.

What To Do If You're Worried or Upset:

Speak to a trusted adult

Use our anonymous online Worries and Concerns form

Call one of the numbers below to talk to someone from outside of school anonymously

Extra Help Outside School

If you ever need more help, you can contact:

- Childline: 0800 1111
- NSPCC: 0808 800 5000

Everyone is Included

Our school is for everyone. Whatever your background, needs or family situation, you have the right to feel safe, cared for and respected.
