

Nursery curriculum- Summer 2

Books we are looking at this half term- The Hungry Caterpillar, Find out about animal babies,
The Growing story, Starting school

English	In English this half term we will be looking at a variety of books. We will be focusing on the idea of growing up and changing. We will look at life cycles, babies, animals and growing up ready to start school. Learning lots of new vocabulary as well as the different parts of a book. Phonics- The children will continue to be split into two groups with a big focus on preparing the children to learn some of their Phase 2 sounds in preparation for Reception. Some children will be continuing to focus on their fine motor skills as well as working at Phase 1 level, which focuses mainly on hearing sounds in the environment.	(ABC)
Maths	In maths we will continue to work on our numbers, number recognition, one more one less, shape, pattern, capacity and a variety of other concepts to ensure they have secure knowledge ready for their transition into Reception in September.	$2+3=5$ 
Science	The children will continue to attend Forest school sessions learning about the natural environment around them and the different resources they can find and use within their exploration and play. We will also be looking at life cycles and learning all about growing and changing.	
PSHE/RSE	In PSHE, we will complete the unit, 'Dreams and Goals'. We will talk about being ambitious, never giving up and keeping on trying. We will also discuss what the children may like to be when they are older as well as what they are looking forward to in Reception.	
RE	We will continue to look at the word 'special'. Understanding about special people and special places, having an awareness as to why they are special. We will also continue to talk about how people are different and the fact there are different places and countries in the world.	
PE	In PE, we will continue to work on fundamental movements with Fleetwood Town.	
Art	In Art we will be recapping a variety of skills we have been learning. Being independent, cutting skills, working with an idea in mind, using a variety of materials.
