

A warm welcome to Year Two, here we hope you find everything you need to know about us!

In Year Two we follow our Key Knowledge and Skills Curriculum which is a creative approach based on the National Curriculum. We will be working hard to develop our existing skills as well as learning lots of new and exciting things this year! We cover objectives missed when appropriate through our engaging, creative curriculum.

We provide a broad and engaging curriculum which is based on the children's interests and ways of learning which sees all children achieving the best they can. Cross-curricular learning is at the heart of all our topics and we ensure a relevant link is made to all subjects where possible. We ensure lessons are engaging and foster a love for learning, as we plan through a book, to encourage a love of reading across school.

We ensure every lesson meets the needs of the whole class and endeavour that each child succeeds in their challenges. Children have lots of opportunities to respond to feedback both verbally and in their books. They are given time each lesson to correct any mistakes from the previous lesson. They may also be given a 'Challenge', whereby children are given a linked task that encourages the child to apply their learning. If necessary, interventions will be put in place to support your child as and when it's needed.

During this year we will promote the Year Two child's love of learning, independence and curiosity. We do this through our teaching but also through our motto of 'Be Happy, be Proud and be Ambitious. Throughout the year we will also have Entitlement Experiences to further our skills and understanding of the wider world past the school walls. These will be documented on our school's Facebook page with photos uploaded as and when they happen.

Homework is set every Friday on Google classroom. The children will receive their reading books and their weekly spellings (a quiz is given every Friday). We also have a range of log ins for the children to develop their learning on apps including; Timetables Rockstars and the e-library.

P.E is every Monday and Wednesday afternoon in Year Two. Please make sure your child comes to school in the full and correct P.E. kit on these days. We will be going outside no matter the weather so please make sure your child brings a coat every day.

We look forward to supporting and encouraging your child's learning this year. Also don't forget that we are here for home support if needed.

Thank you and here's to an amazing year,

Miss Abbott and Miss Green
