## Our topic this half term: Mojave Desert

## Our books this half term: Kensuke's Kingdom!

English	In our English this half term we will be Talk-4-Writing Process, using the enchanting	
	world of Kensuke's Kingdom transporting children to a realm of friendship, resilience,	
	and cultural diversity. Through engaging activities, they will hone their reading	
	comprehension, writing prowess, and analytical skills.	
Maths	In our Maths this half term we will be focusing on; position and direction, decimals,	
Science	negative numbers, volume and converting units. We will be continuing using the White	
	Rose Maths scheme of work which breaks these bigger units of work into smaller	
	steps which allows the children to understand the knowledge and skills within each	
	of these units.	
	In our Science this half term we will be finishing our unit on 'Living things and their	
	habitats'. We will then move onto our new topic 'Animals Including humans' within	
	this unit we will be looking at; the human timeline, puberty for boys and girls,	I I
	gestation periods, old age and how babies grow.	
PSHE/RSE	In our PSHE/RSE lessons this half term and in response to the current cost of living	A A A
	crisis, we will empower our students with valuable financial literacy skills. They will	
	learn about budgeting, responsible spending, and the importance of valuing resources,	ALL AND
	preparing them for future financial independence.	
RE	In our RE this half term, we will delve into the heart of religious commitment,	📣 🕋 🚣
	exploring the diverse ways Christians demonstrate their devotion to God. Through	🌍 🛄 🕸
	thoughtful discussion and reflection, they will deepen their understanding of faith and	
	its expression in daily life.	🦞 in
ART	In our Art unit this half term we will be looking at 3D Designs. We will be focusing	
	or set design. We will look at some professional set designs and then design and	
	produce our own set design linked to our class production.
