

Our topic this half term: The Alps

Our book this half term: The Beast and the Bethany is our class read.

English	In our English this half term we will be focus on traditional fairy tales. We will be conducting an investigation into the crimes committed in these traditional tales. Following this we will produce a range of creative writing such as: sales adverts, posters, letters of advice, eye witness accounts, retelling of events from different perspectives and finally news paper reports.	(ABC)
Maths	In our Math's this half term we will first be looking at Multiplication and Division following the White Rose Math's scheme of work. We will continue working on multiplication and division. Following this, we will look again at fractions to ensure the learning is embedded. After this, we will learn about decimals and percentages.	$2+3=5$ 
Science	In our Science this half term we will be learning all about life cycles and reproduction. We will be learning all about the life cycles of mammals, birds, amphibians and insects. We will also be learning all about reproduction in plants.	
PSHE/RSE	In our PSHE/RSE lessons this half term we will be focussing on "Relationships". We will be discussing our own relationships in life. We will then be moving onto discuss relationships with people online. We will be discussing online communities, gaming, screen time and overall staying safe online.	
RE	In our RE this half term, we will be learning about Christianity and asking the big question "How significant is it for Christians to believe God intended Jesus to die?" with a focus on the Easter story. The children will be discussing Jesus' crucifixion and whether God intended this to happen.	
PE	This term we will continue with our swimming lessons and we will be looking at Net and Ball activities.	
French	In our French this half term, we will be learning about clothing. We will be discussing the names of the clothing we wear and items that others may wear.	
Computing	In Computing, we will be learning about search engines. We will learn what a search engine is, how they work and how to use them effectively. We will also learn about what we can trust online and how everything you see online is not always true.	
Geography	This term in our Geography we will be focused on looking at the European countries of the Alps and what life is like there. We will be locating the Alps on a map and identifying the eight countries that the Alps are in. We will also be locating the human and physical features of the Alps. Following this, we will focus on the human and physical features of Innsbruck. We will identify the climate zone, biome and vegetation here. We will then compare Blackpool to Innsbruck.	
Art	This term in Art we will be learning all about monotypes. We will be exploring how artists use the monotype process to make imagery. We will then combine the monotype process with painting and collage to make visual poetry zines.	

Our enrichment this half term:

Church visit, Forest School
