

Our topic this half term: The world and our energy resources.

Our book this half term: The Boy at the Back of the Class (PSHE link)

<b>English</b>	In our English this half term we will be writing formal letters. We will be focussing on persuasive writing to people in power. Our English unit will link closely to our Geography and give the children the opportunity to write a letter to persuade someone in power to make a change to our community.	(ABC)
<b>Maths</b>	The areas that will be covered this half term are: fractions, decimals, percentages and consolidating the learning we already have covered. Throughout these areas we will always be looking to use and apply these skills in real life situations.	$2+3=5$ 
<b>Science</b>	In our Science this half term we will be focusing on classifying living things. We will be looking at why and how we can classify living things, how the whole process began, we will use classification keys and will complete experiments to improve our skills when working scientifically.	
<b>PSHE/RSE</b>	In our PSHE this half term we will be focussing on the topic 'Healthy Me'. We will be focussing on what makes a healthy person and how we can be healthy within our lifestyles (mentally and physically).	
<b>RE</b>	In RE this half term, we will be asking the big question: Is Christianity still a strong religion 2,000 years after Jesus was on the Earth. We are focusing on the Christian religion and the theme of Easter and salvation	
<b>PE</b>	This term we are focusing on invasion games and net and wall games. We will be concentrating on tennis and rugby: focusing on the skill set needed to strike/pass a ball.	
<b>Computing</b>	In our computing this half term, we will be focusing on Artificial Intelligence. Specifically, how it is used, the dangers of this phenomenon and how a program like this can be helpful to the wider world.	
<b>Music</b>	In Music this half term, we are going to be working alongside Lancashire's Music Hub. We will be learning about how to play brass instruments.	
<b>Geography</b>	In Geography, we will be exploring The Energy of America and our key enquiry is 'Where does our energy come from?'. We will be learning about and recapping a range of renewable energy resources, what is used in America, comparing it to our local energy and discussing how we could improve our local area.	
<b>ART</b>	As artists this half term, we will be creating within the topic of 'Activism'. In which we will be focussing on the use of colour. We will be looking at the work of a range of artists, making visual notes and comparisons and then completing our own screen printing	

Our enrichment this half term:

We will be completing field work in Geography with an aim to improve our local area.

We will be having a yoga afternoon to welcome mindfulness strategies into our lives.
