

Our topic this half term: Transition

Our book this half term: Ella on the Outside and other texts

English	In In our English this half term we will be reading, writing and exploring a range of genres. <i>Project on a Page: To create your own narrative, with a front cover and illustrations.</i>	(ABC)
Maths	This half term we will be consolidating the learning we already have covered. Throughout these areas we will always be looking to use and apply these skills in real life situations.	$2+3=5$
Science	Our unit this half term is looking at Animals Including Humans, specifically focusing on circulation and health in the body. <i>Project on a Page: To create parts of the circulatory system.</i>	
PSHE/RSE	In our PSHE this half term we will be continuing to focus on the topic Changing Me. We will be continuing to learn about self-image and self-esteem, changes in our bodies how babies develop and healthy relationships. We will also be discussing transition and preparing the children for secondary school.	
RE	In our RE this half term, we will be asking the big question: Does belief in Akhirah (life after death) help Muslims lead good lives? We are focusing on the religion of Islam and the theme of beliefs and moral values.	
PE	This term we are focusing on striking and fielding games. We will be learning to bowl with accuracy, throw using overarm, to strike a ball with a bat and using space effectively in games.	
French	This half term, we will be focusing on the topic 'Me in the World'. The children will learn about other French speaking countries around the world, their currencies, flags, cultural celebrations and traditions, with a focus on using all the skills they have learned to understand longer pieces of written French. We will also do transition work in readiness for the children moving onto MFL in KS3.	
Music	In Music this half term, we are going to be continuing to work alongside Lancashire's Music Hub. We will be learning more about how to play the trumpet.	
Geography	In Geography, we will be exploring the key question 'What are the changes and issues concerning my local area?'. The children will be developing their own enquiry question to explore, observe, collect data for and evaluate. They will be completing their own project using the geographical knowledge and skills that they have acquired throughout their time at Hambleton.	
Computing	In computing, we will be exploring the topic 'coding' using LEGO WE.DO.2 coding software, creating a contraption to help aid plastic pollution in the UK waters.	
DT	In DT this half term, we will be exploring food and nutrition – designing, making and evaluating a three-course meal using specific balanced items.	

Our enrichment this half term:

We will be visiting London and we have the fire service delivering a workshop on safety.
